

RBVC Sailing Academy: 2019 'Sea Squirt' Sailing Programme

The 'Sea Squirt' Programme is designed for those kids ages 5 and 6 who can swim and are ready to start messing around in sailing boats. Our Sea Squirt instructor team is headed by Nathan Bailey, the Sailing Director and several RYA Dinghy Instructors and helpers who enjoy working with this age group.

The goal of the 1-week course is to get your child comfortable in an Optimist with a junior sail (smaller sail). Most kids are sailing in a controlled environment by the end of the week. Emphasis is on FUN! There is a lot of play time in this programme, both on and off the water, along with plenty of time for water & snack breaks this age group is used to.
